### A FIGHT REPORTED.

An Engagement Between Colombian  
Troops and Indians.

Panama, Feb. 3.—A report has  
reached the isthmus that Colombian  
troops are fighting with the Indians on  
the San Blas coast, which is in Pana-  
ma territory. It is impossible, how-  
ever, to obtain reliable confirmation of  
this.

The United States gunboat Bancroft  
was to have sailed Tuesday from Col-  
on to Rocas del Toro, but the orders  
were countermanded at the last mo-  
ment because of the report of fighting  
on the coast.

A letter was received here some time  
ago from Capt. Torres, commanding  
the Panamanian troops at Chepo (on  
the south side of the isthmus directly  
south of the San Blas coast) saying  
he had decided to cross over to the  
Atlantic side. There is a possibility  
that the Indians are fighting with  
Capt. Torres' command, mistaking  
them for Colombians.

Colon, Panama, Feb. 3.—W. I. Bu-  
chanan, United States minister to Pan-  
ama, sailed Tuesday evening for New  
York on the steamer City of Wash-  
ington.

J. T. Ford, consulting engineer of  
the Colombian government, has ar-  
rived here from Cartagena and also  
goes north on the City of Washington.  
Mr. Ford declined to express his views  
regarding the situation in Colombia  
before reaching New York.

### FIRE IN KNOXVILLE, TENN.

Property to the Amount of \$400,000  
Was Destroyed.

Knoxville, Tenn., Feb. 3.—Fire in the  
heart of the wholesale district which  
broke out at 8:30 o'clock Tuesday  
night caused a loss of \$400,000, and  
cost the lives of two firemen. The  
dead are:

William F. Maxey, captain of Hose  
Wagon Company No. 2. John J. Dunn,  
an ex-fireman, who was assisting at  
the fire.

The fire started in the six-story  
Phoenix building on Gay street, be-  
tween Wall and Union avenues, and  
the wholesale hat and millinery house  
of Murphy & Robinson. The firemen  
were unable to check the flames which  
spread both north and south into the  
store of M. L. Ross & Co., on the  
south. On the south the fire did not  
make further progress, but on the  
north, after gutting the Cullen &  
Newman establishment it spread to  
Cullen & Shields' wholesale glassware  
and machinery house, which was en-  
tirely destroyed.

### BIG BLAZE IN CINCINNATI.

The Total Loss Is Estimated at  
About \$275,000.

Cincinnati, Feb. 3.—Fire which start-  
ed in the five-story building occupied  
by the Great China Tea Co., at 27 Vine  
street, Tuesday night totally destroyed  
that building and partially destroyed  
seven adjoining buildings. The total  
loss is estimated at \$275,000, divided  
as follows: Great China Tea Co.,  
\$100,000; Lowry & Goebel, carpet  
warehouse, \$60,000; Herman Goepfer  
& Co., malsters, \$60,000; J. L. Hite &  
Co., dealers in leaf tobacco, \$25,000;  
Gale Bros., flour merchants, \$5,000; J.  
C. Kerr & Co., grocers, \$20,000; John  
McHale, broom factory, \$2,000, and a  
vacant warehouse, \$3,000. The loss is  
fully covered by insurance. The fire,  
it is said, originated on the second  
floor of the Great China Tea Co. build-  
ing, presumably from an overheated  
stove.

### YELLOW FEVER IN MEXICO.

Means Will Be Devised to Prevent a  
Recurrence of the Epidemic.

Laredo, Tex., Feb. 3.—A party of  
distinguished physicians left this city  
Tuesday night en route for Mexico  
City for the purpose of holding a con-  
ference with the members of the Su-  
perior health board to devise means  
to prevent a recurrence of a yellow  
fever epidemic such as visited North-  
ern Mexico and the southwest border  
of the United States last year.

Among the members of the party  
are the health officers and United  
States quarantine officers from the  
five gulf states. The itinerary of the  
party includes visits to points where  
yellow fever generates, such as at  
Tampico, Linares, Victoria, Monterey,  
Vera Cruz and cities along the coast  
of the Gulf of Mexico. A thorough in-  
spection of these cities will be inau-  
gurated.

### MURDER IN A POST OFFICE.

White Girl Shot and Killed By the  
Wife of a Colored Barber.

Somerset, Pa., Feb. 3.—Minnie Fried-  
line, a white girl, aged 22 years, was  
shot and killed Tuesday by Mrs. Frank  
Simpson, wife of a Negro barber. Miss  
Friedline was a clerk in the Bos-  
well post office and was entering the  
post office when she was met by Mrs.  
Simpson, who drew a revolver from  
under her shawl and fired a bullet into  
the girl's brain. It is alleged that  
jealousy was the cause for the crime.

### Fifteen Miners Buried Alive.

Guayaquil, Ecuador, Feb. 3.—Word  
has been received here by mail from  
the Zaruma gold mining district that  
on January 24 a wall in a mine belong-  
ing to some American capitalists col-  
lapsed and buried alive 15 native min-  
ers.

### Police Stopped the Bout.

Detroit, Mich., Feb. 3.—Joe Gans,  
lightweight champion, demonstrated  
his superiority over Mike Ward, of  
Sarnia, Ont., the lightweight champion  
of Canada, in so decided a manner  
that the police stopped the bout.

## A TERRIFIC STORM.

Much Damage to Property in  
Colorado and Wyoming.

Two Cars of a Passenger Train Were  
Lifted From the Tracks and  
Thrown on Their Sides—Sev-  
eral Persons Injured.

Denver, Col., Feb. 2.—High winds  
prevailed Monday along the eastern  
slope of the Rocky mountains in Col-  
orado and Wyoming and much damage  
to property was wrought. In Denver  
two men lost their lives as a direct re-  
sult of the gale. Charles Ormsby and  
William Daniels came in contact with  
a live electric wire which had been  
thrown from its fastenings into the  
street and were instantly killed by the  
shock.

Reports are being received from  
points in Northern Colorado telling of  
the destruction of farm buildings and  
hay stacks in the country districts and  
the falling of trees, small buildings,  
chimneys, etc., in the towns. In some  
places the force of the wind was so  
great that small stones were blown  
about promiscuously, shattering win-  
dows and injuring people. Numerous  
fires were started, but as yet no re-  
ports of serious losses from this source  
have been received.

Fort Collins, Col., Feb. 2.—A gale  
that attained a velocity of 90 miles an  
hour prevailed here Monday and caused  
considerable damage by blowing off  
the roofs of houses and breaking win-  
dows. Seven fires started while the  
gale was at its height and for a time  
they threatened the destruction of the  
town.

Idaho Springs, Col., Feb. 2.—A pas-  
senger train on the Colorado & South-  
ern railroad, which left Denver Mon-  
day morning for Georgetown, was  
wrecked by a gale, two coaches and a  
combination baggage car and express  
car being blown over and badly de-  
molished. The engine and tender re-  
mained on the track. Four of the  
train crew and one passenger were in-  
jured. The train had come to a stop  
about 1,500 feet from the station of  
Georgetown, being unable to proceed  
further because of the wind. While  
waiting for the gale to subside the  
cars were lifted from the rails by the  
wind and forced over on their sides.

The passengers and crew were thrown  
with great force against the sides of  
the cars but were able to escape  
through the doors and windows. It is  
believed that Messenger Robinson's in-  
juries were due to trunks falling upon  
him. It was several hours before the  
news of the accident could be sent to  
Denver, as the telephone and telegraph  
wires from the latter city encountered  
trees and wires strewn over the track  
in many places and with difficulty  
reached its destination. The severely  
injured were taken to a hospital in  
Georgetown for treatment.

### WEST POINT CADETS.

Arrangements Being Made For Their  
Visit to St. Louis Exposition.

Washington, Feb. 2.—Col. Treat,  
commandant of cadets at West Point,  
had an interview with the president  
Monday. He is in Washington to as-  
certain what is to be done about the  
visit of the cadets to the St. Louis  
exposition.

No definite arrangements have yet  
been made for the trip to St. Louis of  
the cadet corps and it is probable the  
exposition company will have to pay  
the transportation expenses of the ca-  
dets in order to secure their attendance.

### STEEL WORKERS' WAGES.

A Readjustment to Go Into Effect Feb-  
ruary 15 Made.

Johnstown, Pa., Feb. 2.—Employees of  
the Cambria steel works Monday re-  
ceived notice of a readjustment of  
wages to go into effect on the 15th of  
this month. The basis of each man's  
pay is established by an agreement be-  
tween himself and the head of the de-  
partment in which he is employed.  
The readjustment affects every class  
of employees and the general basis will  
be that prevailing before the last read-  
justment, July 1, 1902. Over 10,000  
men are affected.

### FIRE AT CLARKSVILLE, TENN.

Property to the Amount of \$100,000  
Was Destroyed.

Clarksville, Tenn., Feb. 2.—Fire Mon-  
day night caused damage estimated at  
nearly \$100,000. It destroyed Weaver  
& McCauley's liquor house, W. S. Rus-  
sell's grocery store and Gerhard Sons'  
dry goods, while the furniture stock of  
C. F. Couz suffered from water. Wires  
and cables of the Cumberland Tele-  
phone and Telegraph Co. were also de-  
stroyed.

### Mme. Nordica Divorced.

New York, Feb. 2.—Mme. Nordica,  
the prima donna, who in private life is  
Mrs. Lillian M. Doeme, was Monday  
granted an interlocutory decree of di-  
vorce by Justice Bischoff in the su-  
preme court.

### Jack Munroe Defeated.

Buffalo, N. Y., Feb. 2.—Jim Parr,  
the English heavyweight champion  
wrestler, defeated Jack Munroe, of  
Butte, at the Olympic Athletic club  
Monday night. Parr won two straight  
falls in 21 minutes 40 seconds, and 15  
minutes 20 seconds.

### Negro Pugilist Dead.

Philadelphia, Feb. 2.—Neelson Shello,  
a Negro, died in a hospital here Mon-  
day night from injuries, the police say,  
received in a boxing bout with Ro-  
sario Lock last Thursday at the Broad-  
way Athletic club. Lock was arrested.

### DEEP SNOWDRIFTS.

Nearly All Railroads in Northern Indi-  
ana Are Blocked.

Indianapolis, Ind., Feb. 4.—The Lake  
Erie & Western, the Logansport di-  
vision of the Vandalia, the Michigan  
division of the Big Four, and other  
railroads in Northern Indiana have  
for 24 hours been blocked by deep  
snowdrifts in cuts, and passengers  
have had some trying experiences on  
stranded trains.

Five engines were unable to break a  
blockade on the Vandalia, near Cutler,  
and after it was released by section  
men, two engines were required to take  
the train to Frankfort Wednesday.  
Two other trains became stranded at  
the same point, two engines taking  
one of them north and three pulling  
the other train south. Trains on the  
Michigan division of the Big Four  
from Indianapolis have been unable to  
get farther north than Elkhart. Drifts  
as high as the coaches have been en-  
countered at some points on this road.

Similar conditions prevail on the  
Michigan division of the Lake Shore  
road. Passengers have had to aban-  
don some of the stranded trains on  
the northern roads and seek shelter  
and food at farm houses or engage  
farmers to take them to nearby points  
with sleds. Many trains have been  
10 or 12 hours late.

Peru, Ind., Feb. 4.—With the ther-  
mometer registering four degrees be-  
low zero, a passenger train on the  
Lake Erie & Western railway was  
buried six feet in a snowdrift, 500 feet  
long, at Miami, for nine hours. A  
blinding storm obscured the view, and  
the engineer drove into the drift al-  
most before he knew it. Four car  
lengths from the end of the drift the  
train stuck and the crew and passen-  
gers hurriedly shoveled the snow  
from the engine to save the fire and  
thus keep steam in the coaches. The  
snow continued to pile up, and on the  
west side it nearly reached the top  
of the coach windows. Fifty sec-  
tion men and four engines managed  
to release the imprisoned train. Other  
trains are six and eight hours late on  
account of the snow.

Detroit, Mich., Feb. 4.—With a re-  
newal of the snow blockade the ques-  
tion of fuel and provisions has grown  
more serious than ever in the Thumb  
district of Michigan, or the region ly-  
ing between Saginaw bay and the lower  
end of Lake Huron. Harbor Beach  
has had only one train since January  
16. Wednesday the Pere Marquette  
line, between Saginaw and Port Huron,  
was also blocked, the passenger train  
that left Saginaw at 5:50 p. m. Tues-  
day having advanced no farther than  
Marlette at a late hour Wednesday.

During the day about four inches  
of fine snow fell at Grand Rapids, ac-  
companied by a high wind that caused  
much drifting.  
The Detroit, Ypsilanti, Ann Arbor &  
Jackson trolley line has succeeded in  
running cars between Detroit and  
Ypsilanti, but has not been able to  
reach Ann Arbor and Jackson since  
early Tuesday evening.

At Niles, Mich., snow continues to  
fall at intervals, and the northerly  
blasts have piled drifts higher than  
the fences. The farmers can not reach  
the towns except by crossing fields.  
They have received no mail for four  
days.

Some of the more isolated towns are  
running short of coal and provisions.

### A TRIPLE TRAGEDY.

Wealthy Planter and Two Negroes  
Killed in a Shooting Affray.

Doddsville, Miss., Feb. 4.—John  
Eastland, a wealthy plantation owner,  
and Albert Carr, a Negro tenant, were  
killed by Luther Holbert, a Negro, in  
a shooting affray which grew out of a  
difficulty between Eastland and Hol-  
bert. The tragedy occurred on East-  
land's plantation and when news of it  
reached Doddsville a posse was im-  
mediately organized. When the posse  
arrived at the plantation further shoot-  
ing occurred and John Winters, a Ne-  
gro, was killed.

Holbert escaped and posesses from  
Greenville, Indiana, Cleveland and  
other points are searching for him and  
two other Negroes, who, it is charged,  
were implicated with him in the kill-  
ing of Eastland. The Negroes will  
probably be lynched if captured.

Eastland was a member of a promi-  
nent family and relatives have offered  
large rewards for the capture of Hol-  
bert.

nine of the ninety democratic mem-  
bers of the Maryland general assem-  
bly met in caucus Wednesday night  
and, after parleying for more than  
three hours, selected Isidor Rayner for  
the United States senatorship to suc-  
ceed Senator Louis E. McComas, the  
present incumbent.

Roosevelt, Gen. John C. Black, com-  
mander-in-chief of the Grand Army;

the department of the Potomac of the

McHugh, aged 105, is dead at New  
London. She was born in Ireland and  
lived in three centuries. She came to  
America when 52 years of age, and  
lived at Johnstown, Pa., coming to  
Wisconsin in 1854.

To Be Brought to Spain For Burial.  
Madrid, Feb. 4.—At a ministerial  
council it was decided to bring the re-  
mains of the marines who lost their  
lives on board the Reina Christina in  
Manila bay in 1898 to Spain for burial  
in the marines' pantheon at Cadiz.

### BRIDEGROOM WAS NERVOUS.

He Thought the Parson Was in Too  
Big a Hurry for the Wed-  
ding Fee.

Rt. Rev. Dr. Leighton Coleman, bish-  
op of Delaware, told the following story,  
says the Philadelphia Telegraph, to some  
friends in town whom he was visiting re-  
cently:

"A young man came up to me one day  
with the remark: 'Bishop, I want you to  
marry me on next Wednesday.'  
"All right, I'll marry you."  
"Well, I want the church bell to ring."  
"Yes, you can have the bell rung."  
"Well, I want the organ to play."  
"All right, you can have the organ."  
"And I want everything else anybody  
ever had at a church wedding."  
"You shall have it."

"Well, the night came, the bell rang,  
the organ played, the church was crowd-  
ed, and everything went off as the young  
man wanted it. When the ceremony was  
over the young couple waited, instead of  
leaving the chancel. So I held out my  
hand, shook hands with the bride, and  
then held out my hand to the bridegroom.  
He had his hand deep in his trousers  
pocket, and as I stood with my hand out,  
he said, somewhat impatiently, and in a  
tone that could be heard all over the  
church:

"I'm getting the money out just as  
fast as I can."  
"Then everybody in the church giggled."

### A Late Business Call.

"Curious what men do when they're  
drinking," said Representative "Tim" Sul-  
livan. "When I was in New York I  
heard a story about a man I know who  
had been out nearly all night, and was  
considerably the worse for wear."  
"He came along a street and saw an  
undertaker's sign, with a night bell, just  
over a speaking tube. He rang the bell  
fiercely."

"What is it?" yelled the undertaker  
down the tube. "What do you want?"  
"Nothing in particular," the chap re-  
plied. "Only I want to say to you that  
you're the last man I'll do business with."  
—Philadelphia Telegraph.

### Salzer's Earliest Cane.

Another new thing. Can be cut six times  
during a season and sprouts again with  
lightning rapidity. Next to Salzer's Teo-  
sinte it will make more green fodder than  
anything else, cheap as dirt and grows  
everywhere.

Of Salzer's Renovator Grass Mixture,  
just the thing for pastures and mead-  
ows, Mr. E. Rappold, East Park, Ga.,  
writes, "I sowed Salzer's Grass Mixture on  
it, and in forty-one days after sowing I  
had the grandest stand of grass in the  
County. Salzer's Grass Mixtures sprout  
quickly and produce enormously." 100,000  
barrels choice Seed Potatoes.

### SALZER'S NEW NATIONAL OATS.

Here is a winner, a prodigy, a marvel,  
enormously prolific, strong, healthy, vigor-  
ous, producing in thirty States from 150  
to 300 bu. per acre. You had best sow a  
lot of it, Mr. Farmer, in 1904, and in the  
fall sell it to your neighbors at \$1 a bu.  
for seed.

### Usually the Case.

he's down," remarked the moralizer.  
"That's right," rejoined the demoral-  
izer. "They stand aside and give his  
friends a chance."—Cincinnati Enquirer.
